In the Matter of:

NOTICE OF SALT RIVER RURAL ELECTRIC)	
COOPERATIVE CORPORATION THAT ON)

NONRECURRING AND CATV ATTACHMENT)	
RATES AND CHARGES)	

O R D E R

On May 26, 1992, Salt River Rural Electric Cooperative Corporation ("Salt River") filed its notice with the Commission proposing to adjust its rates for nonrecurring charges and cable TV pole attachment effective July 6, 1992.

On June 9, 1992, the Commission found that further proceedings were necessary to determine the reasonableness of Salt River's proposed rates and suspended the effective date for five months from July 6, 1992. On June 26, 1992, the Commission requested additional information from Salt River. This information was provided on July 2, 1992. A total of five complaint letters were received from Salt River's customers in this proceeding. All five customers were offered the opportunity to intervene in the case but declined to do so.

According to Salt River, the rates for nonrecurring charges and cable TV pole attachments were last revised in 1983, the time of its last general rate increase. Salt River has analyzed the costs of these services and determined that costs to provide the services are more than revenue received. They have also provided

cost support for the requested adjustment in charges. The proposed increase in the CATV attachment rates and charges are in accordance with Commission's 1983 Order in Administrative Case No. 251-46.¹

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that the rates, terms, and conditions for nonrecurring charges and cable TV pole attachments set out in Appendix A to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. Salt River's proposed rates for nonrecurring charges and cable TV pole attachment be and they hereby are approved effective on and after the date of this Order.

2. The rates and charges set forth in Appendix A, which is attached hereto and incorporated herein, be and they hereby are approved effective on and after the date of this Order.

3. Within 30 days from the date of this Order, Salt River shall file with the Commission its revised tariff sheets setting out the rates and charges approved herein.
